

DYNASTY Workshops**1. Tuesday 06/06/2023, 10:00-12:00**

Invited Speaker: Dr Cedric Robert, LPCNO, CNRS, INSA, Toulouse

Location: FORTH A. Payatakes conference room

Title: “**Optical spectroscopy in transition metal dichalcogenides and their heterostructures**”

Photoluminescence, absorption (reflectivity), photoluminescence excitation spectroscopy (PLE)

2. Thursday 08/06/2023, 10:00-11:30

Invited Speaker: Dr Delphine Lagarde, LPCNO, CNRS, INSA, Toulouse

Location: FORTH A. Saitakis conference room

Title: “**Introduction to time-resolved optical spectroscopy & tunable continuous-wave excitation sources**”

3. Friday 09/06/2023, 12:00-13:00

Invited Speaker: Dr Cedric Robert, LPCNO, CNRS, INSA, Toulouse

Location: FORTH A. Saitakis conference room

Title: “**Transition metal dichalcogenides on ferroelectric hBN structures**”
